Auctioneers Comments: It has been our privilege to work for Bill's family and for his Estate. We only wish Bill could still be with us to share the enjoyment of his auction. Our team worked for 3 days in the house alone to try and get a reasonable inventory. The amount of items as well as antiques and collectibles were enormous. You will be amazed. Come to spend the day, bring your lawn chairs, and bring your friends as we will be running 2 rings at some point. - Todd
